MARPROZEP
INDUSTRIAL MAINTANANCE CHEMICALS

TECHNICAL DATA SHEET

RUBY

LIQUID HAND SOAP

Features and Product Use

- Completely biodegradable and contains no phosphates.
- Economical, high viscosity since coconut oil is used and not salts.
- It has a pleasant fragrance.
- Produces a rich lather in either hot or cold water. It can be used for bubble bath.
- For use by female and male personnel.
- Contains a unique water softening ingredient to ensure good cleaning action - even in hard water.
- Excellent for general cleaning of soiled hands.
- Can also be used for all-over body cleaning in industrial showers.
- Recommended for use in all liquid soap dispensers and central dispensing systems.

Directions for use

- Moisten hands and apply.
- Work into a rich and creamy lather by rubbing hands thoroughly and briskly.
- Rinse and repeat if necessary for stubborn stains.
- May be diluted with up to 10 parts water as required.

Caution

- Irritant to the eyes.
- Harmful if swallowed.
- KEEP OUT OF REACH OF CHILDREN

First Aid
